

PRODUCT SAFETY INFORMATION:

WARNING

CHOKING HAZARD-Small parts.

Not for children under 3 years.

Adult supervision required

PIXIO product contains small magnets. Swallowed one or more magnets can cause complications leading to serious infections, health injury or death. Seek immediate medical attention if magnets are swallowed or inhaled.

PIXIO® makes many efforts in ensuring its products are safe for all users. The blocks do not contain any BPA, phthalates, PVC, latex or toxic materials. Keep magnets at all times away from magnetically sensitive equipment (e.g. credit cards, computers, telephones, pacemakers, etc.).

We use reliable latching fixation system to ensure the strongest possible plastic bond to hold our magnets in place.

All of our products conform to EN71-1/2/3 and ASTM F963-17 standards for child safety.

PIXIO ensures our products are made for a safe play experience for children aged 6+

To ensure safety is upheld at all times READ CAREFULLY and FOLLOW the guidelines below:

- This product contains magnets. Swallowing magnets can be fatal, cause complications leading to serious infections, health injuries or death. If magnets are swallowed, call your doctor or get emergency medical treatment immediately.
